ABOUT ME

At Bunn Design Co., I specialize in creating professional visual identities that help businesses stand out. My work includes services such as logo design, print materials, website graphics, social media content, and photo editing.

My goal is to create designs that are not only visually appealing but also practical, memorable, and tailored directly to your business. My portfolio showcases a selection of work across a variety of industries and demonstrates the range of creative services available.

Thank you for taking the time to explore my work. I look forward to the opportunity to help bring your ideas to life.

Google Logo Animation (Frame Example - No. 5)

WEBSITE GRAPHICS

Website graphics designed to enhance a brand's online presence through clean layouts, engaging visuals, and consistent branding. Each design is created to improve user experience while maintaining a professional and cohesive appearance.

Monster Website Page (Website Design)

Monster Can (Website Graphic)

Monster Can (Website Graphic)

MOCKUPS

Mockups designed to present branding and marketing materials in realistic environments, helping visualize the final product before production. They are also commonly used to showcase realistic designs on websites.

Paper Cup Mockup (The Copper Kettle)

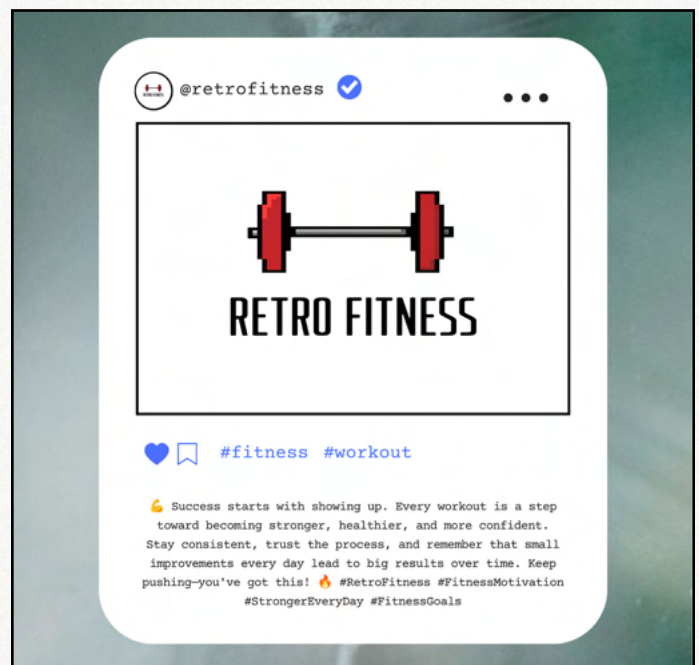

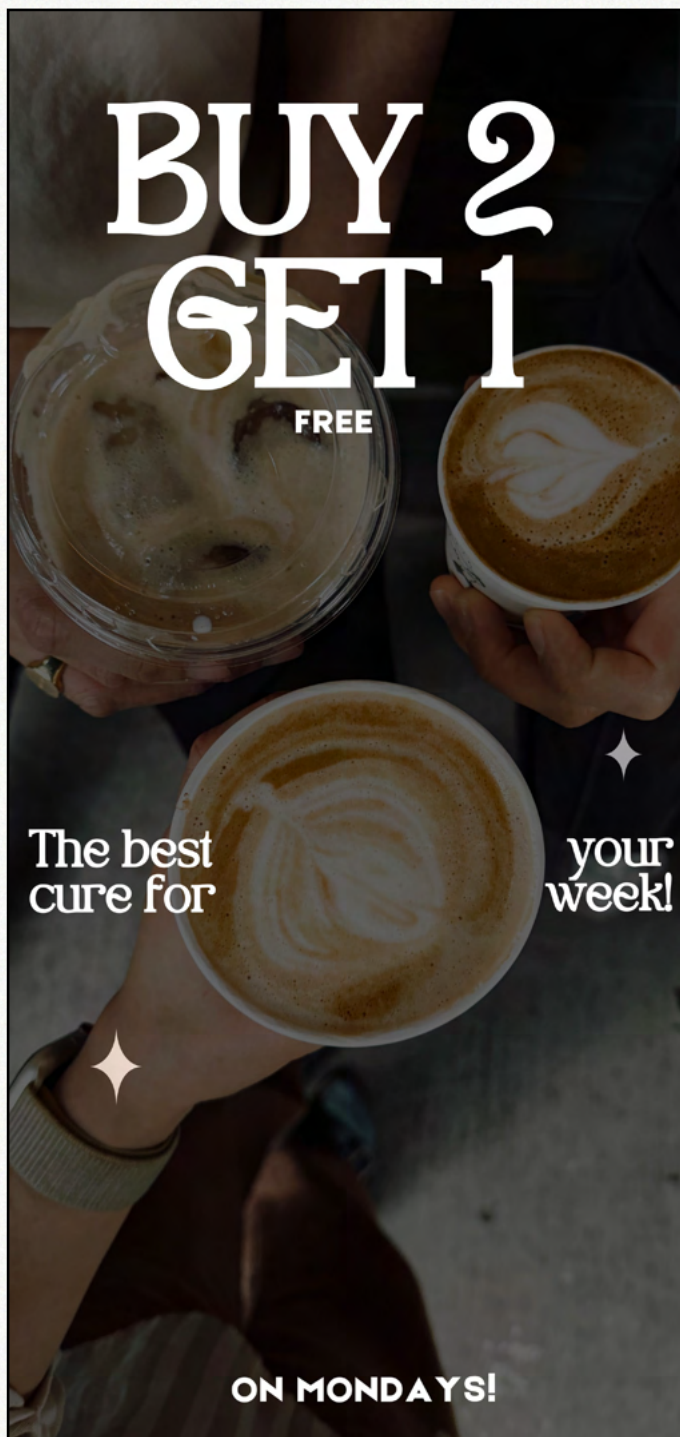

Bag Mockup (Retro Fitness)

Keychain Mockup (Fern Landscaping)

SOCIAL MEDIA GRAPHICS

Social media graphics designed to capture attention, strengthen brand identity, and create a consistent visual presence across digital platforms. Each design is tailored to engage audiences while communicating key messages clearly and effectively.
